## A Note from the Executive Director

Mark McClellan  
Executive Director

April showers bring May flowers.

Spring is blooming and our campus is beautiful. There is something about spring that brings renewed energy and excitement. Our residents are starting to feel it too. During spring, we get to take more walks in the park, do more activities out in the community and hold more events outside. Our residents love being outdoors and we have a lot of fun things planned for April.

Speaking of renewal, have you seen our new furniture in Cottages C and D? It's beautiful. We have just finished redecorating, and our residents are so happy with their new furniture. We have new sofas, chairs, tables, pictures, etc. Just a little sprucing up for springtime.

Lastly, we have welcomed several new staff members and residents to our Farmington Family. If you see a new face, go ahead and tell them "hi". It's fun to be friendly.

Happy springtime!

Mark McClellan - Executive Director
