Team Member Spotlight

Crystal, Med Tech

We are absolutely thrilled to have Crystal as a part of our team! As our dedicated med tech, she brings a wealth of experience to our community, backed by an impressive 10-year background as a CNA. When she isn't caring for our residents, Crystal is a busy mother of three who loves spending quality time with her family. You can often find them hanging out together at the lake, enjoying the outdoors, or crabbing along the coast. On her quieter days, she loves to unwind by settling down with a good book or working on her latest crochet project. Crystal's warmth, dedication, and vibrant spirit make her an incredible asset to our family, and we are so grateful for everything she does!

From Summer into Fall...

As summer comes to a close, we are excited to welcome the beauty of fall at Farmington Square! From sunny summer fun to the crisp air and colorful leaves of a new season, we look forward to enjoying all the special activities, traditions, and cozy moments that autumn has to offer together. Here is a glimpse of how we spent our August.

A Note from the Executive Director

Mark McClellan
Executive Director

September is here, marking the end of summer and the beginning of autumn. After a very hot summer, we are looking forward to cooler evenings and fall colors.

This month, our community will be focusing on the Walk to End Alzheimer's. We have once again partnered with a community friend to raise money to fight against this terrible disease that has affected so many of the people for whom we love and care. So

far, with our community partnerships, we have raised close to \$6,000 dollars for The Alzheimer's Association. Join us on September 19th when we will be meeting at Lithia Fields at 10 am for the Walk to End Alzheimer's. You are invited to join us even if you are just there to support. No walking required.

If you would like to donate to the cause, please contact our Community Sales Director, Amanda Griffin — agriffin@farmingtonsquare.com.

Thank you for your continued support.

- Mark McClellan (Executive Director)
